E. Price Calculation

1. [Unchanged.]
2. From the Effective Date of this Amendment, Customer will pay Tier 2 prices for its Contract Packages, pursuant to Table D (Tier 2) below, through June 30, 2021. Tiered pricing in subsequent Contract Quarters will be determined by the quantity of Total Parcel Select Packages shipped in the Contract Quarter immediately preceding the new Contract Quarter. For example, as of July 1, 2021, Total Parcel Select Packages shipped April 1, 2021 through June 30, 2021 will determine tier pricing to be effective within thirty (30) calendar days after the start of the Contract Quarter beginning July 1, 2021.
3. The Postal Service will monitor Customer's volume of Total Parcel Select Packages, and within thirty (30) calendar days after the start of each Contract Quarter, will notify Customer of the applicable tier for that Contract Quarter based on Table C, with corresponding prices found in Table D below. Tier price changes will be effective within thirty (30) calendar days after the start of each Contract Quarter. Discounted prices will be calculated by the Postal Service and rounded up to the nearest whole cent.
4. Tier threshold. As outlined in Table C below, the following quarterly volumes must be met in order to achieve the applicable Contract Package prices in Table D.
5. If the volume in any Contract Quarter, throughout the term of this Contract, falls below the minimum quarterly volume set for Tier 1 pricing, the Postal Service in its sole discretion has the right to revert Customer to applicable prevailing published Parcel Select DDU and DSCF prices for Customer's Contract Packages in the subsequent Contract Quarter.

I.

L. Surcharges, Additional Fees and Time-Limited Price Changes. To the extent the Postal Service promulgates a surcharge, additional fee, or time-limited price change, applicable to the products defined and referenced in Term I.B, during the term of this Contract, such surcharge, fee, or time-limited price change will be applied to the then applicable prices for those products under this Contract, subject to the same terms as such surcharge or fee is applied to the prices of general applicability for those products, respectively, as calculated by the Postal Service. The surcharge, fee, or time-limited change shall not be considered the “most recent price change” for the purposes of the Annual Adjustment provision in Section I.F above.

IN WITNESS WHEREOF, the Parties hereto have caused this Contract to be duly executed as of the later date below:

SIGNED CERTIFICATION

**Certification of Prices for Amendment to
Parcel Select Contract 37**

I, Lisa H. Arcari, Manager, Pricing Innovation, Finance Department, am familiar with the prices and terms for the amendment to Parcel Select Contract 37. The amended prices and terms contained in this Contract were established by the Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates (Governors' Decision No. 19-1).

I hereby certify, based on the financial analysis provided herewith, that the amended prices are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). They are expected to cover attributable costs. There should therefore be no subsidization of competitive products by market dominant products. The amended contract should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
